LOUISVILLE.

FRIDAY, AUGUST 6, 1858 CarA lata proceeding in the English House of commons is deserving of notice as throwing addi-commons is deserving of notice as throwing addi-poll-book, except the last, and category al light on the character of the recent settlement of the tight of visit question. On the 12th the to the pelicy of suppressing the slave o discontinue the practice of authorizing her Majbr. Hutt supported his motion by a Brunerstown, were thrown what he demanded was that the commanders sant to direct that the commanders of the British have not faltered. rese of the right of visit, except la well-accortain- by the Board of Commissioners: deases of paracy. He moved, in abort, that the oses of piracy. He moved, in abort, that the wheat of visit, so far as the slave trada is concerned, Wood practic iv abandoned. The motion itself, or, r, the respectful consideration of it, thows in- Revill on no the right of visit is not abandoned even to this extent. Of course no re a too ton 10 do what within the knowlmember of the body was already the most a licent facts are to come. OF NOTES WAS STRUNGLY OPPOSED BY THE MIN Mr. Thomas, we understand, will not unit has Lugiand has alrandoued the right of visit in and we shall probably publish it on the next jag. r abated one jot of her former pretensions of our paper. Mr. Sibley, the Democratic well in with especial stress.

The Isochanan organs, oral and typographical, the approbation of his whule party-uarters of the country, are vicing with each lt appears from the Revised Stat uer la ding their master for the unparalleled section 12, thatctory ver British diplomacy which they say be sh government, they assert, has renounced to divit as formerly put forth, and has signified desecthat lingland's vanuted concession in parting joy and enthusiasm to millions of hearts. w to in strict conformity with her agricult 'ingly, is no concession at all; that, the supress judgment of both Houses of Parlisof hagland in this respect is maintained in and doctrine, instead of directing the comman-

M). Webster had made the same ad- not go out in darkness. He said, with consistency if not with the public law made no provision for a gencie, and he would not anticipate a gencie, and he would not anticipate if they are, that admething terrible might be done to them, if they set foot on our vesseli even dently believe, that, in spite of the bribes and done to them, if they set foot on our vessel even in the best of faith. Gen. Cass, however, has, with fertitus during, "formulated" this class of the set against the fraud and seems to tell the whole story in plain and emphatic language. The humilation, the mortification of the authors and siders and alotwith the right of visit as claimed by the turn of the miserable fraud must be terrible indeed we ment, there is, unturally enough, an coversy. The settlement, in our the South will say now. Ay, and we shall see what the South will say now. Ay, and we shall see what they will do now. There is accarcily a Democratic serious in the whole South, and scarcely a Democratic ory a mise and proper on, but it is organ in the whole South, and correctly a Democratic organ in the whole South, and correctly a Democratic organ in the whole South, and concession to the justice of the case, if it were passed at the co-consider it, nothing could be set, but as an achievement of diplomatic skill it so a par with the feat of the chap who jumped it see at a single leap—from a window in the furth story. The Administration might have gone there is no three as far in the same direction preliminary measure of secession several months are in the same direction of the story.

that y lresh expenditure of skill. And when the English bill, generally known as Le n my two parallels of intitude. Jefferson Davis, the Missessi of Securities and editors and stamp-speakers and demagogues of what. entions and attemposphases and deemgogues of whating in Maine for a short time past, and we night

James White, killing Michael Harmann. The substance of the testimony was that, Hisrmann and his party, who are called the Grapeshots, were drinking in the house whon White and others came in. After a banter for a fight between Hermann and they, they all drank together, but the two became soon again involved in a quarrel. Hermann was finally taken to a bedroom, and Whita went out the front door. Hermann however troke away and as he came into the bedroom White came in the front door. Almost lumediately shots were oxically continued the continued of the came in the front door. Almost lumediately shots were oxically door. Milen fing three times, all of which took effect on Hermann, and Hermann firing twice without effect. The wound which proved fatal to Harmann was below the left nipple.

On the part of the defence, it was proved that the Grapeshot party had repeatedly threatened to avenge themselves on the others for the murder of Tom Allon. The case was then continued till to-day for the prosecution. The abova embraces the material portion of the testimony.

AMALGAMATION AND KIUNAPPING.—The Chicago Journal asys:

We learn that a young making the the tool georgia it appears, as we learn the four continued to this city in comp-usy with a young making to make the till the congria. The part of the four learns to this city in comp-usy with a young making to complete the profession in college in Georgia, recently came to this city in comp-usy with a young making to complete the profession in college in Georgia, recently came to this city in comp-usy with a young making to complete the profession in college in Georgia, recently came to this city in comp-usy with a young making to complete the congridance of the congridance was a lare, part the four learns that a young making to make the college in Georgia, the object, but when the the other congridance, whom they browshe he had four learns that a young making to make the college in Georgia, the other by whom he had four learns that the woll in the test congridance, whom substance of the testimony was that, Harmann and his party, who are called the Grapechots, were drinking in the house when White and others came

The case of Alfred Whitlow for shooting Dr. The case of the Case of Mr. Whitlow had been suffering from rheumatian and has been under the treatment of Hogers, who then made the acquaintative of Mr. W.'s sister, quite a young lady. Whiting a few months past it has become the town talk that flagers was paying much attention to Miss W., and whenever she walked out followed her, and addrased notes to her expressing the warmest affection for her. The has a wife and child in New Albany, where he resides. The accused wtota the doctor a note as to-day for the prosecution. The above embraces the meterial portion of the testimony.

He has a wife and child in New Albany, where he resides. The accused wrote the doctor a note as anon as he heard of it, telling him that he must leave the place. Rogers replied, promising naver hereafter to be gasilty of such conduct, and accused forgave him. Some of the other brothers of the young lady talked to him, and he made similar promises to them. But on the very day on which he ruplied to the note of Alfred Whitilow, and and the requestly to it, he threw another note through the window to the young lady. On Tweeday, Miss Whichow walked out, and the dictor was also seen out. Both soon disappeared. One of the brothers came to the city but could not take the work of the was discussed in the was willing to die, she said: "Yee, I have seen that child in the Saviour's aums, and I want to go too."

One of the brothers came to the city but could not find his sixter. On his return he watched the New Albany ferry boat and saw his sixter and Rogers of Corrad Cline, about 50 years of age. The vercome on shore. They tack different directions, and

Allen Whitlow followed Rogers, who got on the car.

Before Allen reached the car it started off, but he took after it and demanded that Rogers abould get off. Allen threw a rock at Rogers and be took to his healt for the ferry their present for an angle of the party was that and Conrad Clino came to died of the party was that and conrad Clino came to died of the party was that an took after it and demanded that Rogers abould get off. Allen threw a rock at Rogers and be took to his beels for the ferry loost, pursued for several equates by Allen. Alfred Whithow, whose appearance indicates extreme feel/senses, got into a hack, and ordered the driver to take him to the ferry landing at the top of his tpeed or risk his own life.
